

Important Back to School Documentation

Request for Online Learning

- Any request for online learning will require a doctor's note on a physical detailing the reason the child needs to stay home.
- Reasons may include the medical concerns of someone else in the household.
- The school will provide live streaming of all the classes barring any technical difficulties only for those students approved.
- A request must be made in writing to the Head of School at adam.gaffey@rfmunroe.org
- Students may not alternate between different forms of instruction.

The FLHSAA, FLDOE, and Health Department requires all of the following to be turned in on the first day of school. Please have your child hand these to your first-period teacher.

All Students

- Proof of Immunization
<http://www.floridahealth.gov/programs-and-services/immunization/children-and-adolescents/school-immunization-requirements/index.html#preschoolEntry>
