Dear Parents,

We are pleased to have your child enrolled for the 2020 - 2021 school year at our newly named "Early Learning Academy." Linda Mathers is our 4k teacher, assisting her is Logan Lopez. Tracy Johnson is our 3k teacher, assisting her is Crystal Horrell.

We are especially proud to announce the opening of our Infant/toddler classroom. Joanna Golightly and Becky Avrett are the caregivers for that classroom. Dr. Gaffey will have more to share as the opening draws near.

This year, virtual conferences will be held on Saturday, August 8. An invitation will be sent to virtually to meet and greet your child's teacher(s).

Please head to the website to find all the back to school information. Please bring your back to school paperwork on the first day of school.

VPK students will need to apply for a Child Certificate of Eligibility which is issued by the Early Learning Coalition if you have not already done so.

School supply lists can also be found on the school website.

Thank you for allowing us to work with your child in this exciting new educational venture. We look forward to a rewarding relationship with your family.

Sincerely,  
Linda Mathers
