

# JOIN US!

We are accepting applications for Infants 6 weeks and up through 2 years old.

Our infant program comes along with our caring and supportive teachers with years of educational and child care backgrounds.

## ENROLL

Spots are limited! So contact Debbie Potter today if you would like to enroll your child into the Early Learning Academy to get a head start on that Munroe Education that we all know and love!

COME GROW WITH US!

## ABOUT US

Our teachers nurture and encourage children as they begin to communicate, crawl, and walk while ensuring that active toddlers and young infants receive the guidance and supervision needed at all times.

Our new infant and toddler-proofed classrooms have been designed to make the perfect setting for your child to explore, learn, and discover so many things!

## EDUCATION

Our infant program comes along with our caring and supportive teachers with years of educational and child care backgrounds. They will assist your child with developing physical skills as they grow, and developmental skills through challenges, discoveries, and nurturing relationships with their teachers and new friends. They will be learning many things such as Language art, music, art, and more!
