

July 13, 2022

Dear Parents,

Welcome to the 2022-2023 school year at Robert F. Munroe. I can't wait to hear from the students about their summer adventures! For returning families, I look forward to seeing you all and continuing to serve you and your children. For families new to Munroe, I am excited to meet you and to support you in transitioning to our amazing school. We are honored that you have chosen Munroe for your child and we do not take the education of your child lightly. At Munroe, we desire to give every student the foundations they need in the elementary grades to sustain them throughout their school experience. It is our objective that every student feels welcomed, connected, and an important part of the Munroe family.

The first day of school is Wednesday, August 17. The school day begins at 8:25 and ends at 3:15. Here is a general schedule of the school day. Please be mindful of our 8:25 start time. It is important that students arrive on time. If you arrive after 8:25, students will need to be signed in by the parent for the tardy to be excused.

7:30 AM - 7:45 AM - Early Drop Off
8:00 AM - 8:25 AM - Drop Off and Academic Support
8:25 AM - 3:15 PM - School Day
3:15 PM - 3:30 PM - Pick-Up
3:30 PM - 4:30 PM - After School Activities
3:15 PM - 5:45 PM - Aftercare

I am very excited and pleased to introduce new programs and opportunities for our students:

- Performing Arts Electives
- Lower School Sports: basketball, archery, soccer, tennis, and volleyball.
- The new library will be available this year with a technology lab
- New Student Center - this will provide an indoor area for lunch and group meetings/activities

This is an exciting time to be a Munroe student. These new programs will help to enrich our students' academic experiences while encouraging and cultivating individual interests and strengths.

Again, the Lower School team and I are here to provide the best educational experience for your child. We look forward to partnering with you to accomplish this goal!

Please contact me if you have any questions or concerns throughout the year.

Melissa Darby
Head of Lower School
