

Front Loop Drop Off and Pick Up

The diagram below shows how car pickup will work. Loop 1 will be for Lower School (grades k - 5) drop off and pick up, along with those with both Lower School and Upper School. Loop 2 will be for school vans and Upper School (grades 6 - 12) only drop off and pick up.

Note that each loop has two lanes; a drop-off lane, and a thru lane. Students should only ever exit or enter a vehicle onto the sidewalk (right side of a vehicle in the right lane).

Lower School begins at 8:25 AM, and Upper School late bell rings at 8:30 AM. The front gates will shut at 8:30 AM. Late students will need to drive to the back of the school and enter the main office to sign in late.

If parents must pick up their child early, they must do so before 2:45 PM. We are required to keep traffic off the road and therefore will need to keep cars from entering the school from 2:45 PM until 3:10 PM. Cars arriving earlier than 3:10 PM will not be allowed to enter the school. Nor will they be allowed to park on the road outside the school grounds.

Lower School will be dismissed at 3:20 PM. Upper School will be dismissed at 3:20 PM.
