

Hello Robert F. Munroe Families,

I am thrilled to welcome you to the Munroe community! We are so honored that you have chosen Munroe to be your new school home, and we look forward to a wonderful partnership with you and your family. We have had some really exciting additions to our campus and we look forward to everyone being able to experience them.

We understand that getting acclimated to a new school environment and its procedures can be overwhelming for new students and families. However, we hope to make this process an enjoyable and exciting one for you. Please take a look around the “Back to School” tab on the website www.rfmunroe.org where you will find important information, tips, events, and dates to help you navigate the new family experience at Munroe. We hope you will find this information useful, but if you have any additional questions or require anything to feel settled at Munroe, please do not hesitate to reach out to the Admissions Office via email at jessica.santiago@rfmunroe.org or phone (850) 856-5500.

I look forward to seeing everyone in person and being able to officially welcome you on campus.

Thank you,

Jessica Santiago
